

AUGUST 2025 NEWSLETTER

Greetings! It's been a very hot summer, not just here in the sun belt but in much of the rest of the country as well. Weather has been in the news too often lately with devastating storms and flooding in many areas including Texas, North Carolina, New Mexico, West Virginia, Pennsylvania, Maryland, New York and New Jersey. There have also been earthquakes and tsunamis and major fires in California, Texas and Canada – the latter leaving much of the northeast clouded in smoke this week.

We hope Mother Nature hasn't disrupted your summer plans. We know many of you have been travelling to Canada, the northwest, the hills of North Carolina and upstate New York, among other places.

But, like your RV's, the year is rolling on and school resumes here in just a few days.

With that we want to remind you that the start of the rally season is not far off now. Our rally schedule is attached for your convenience. Please start planning for that and do make your reservations sooner rather than later as space at some rally parks is limited.

By the way, please keep the Sun Roamers in your thoughts as you travel and take advantage of any opportunities you may have to introduce the club to RVers you meet along the way. Our membership has declined to just 17 coaches now and new members would be most welcome.

Important: When making reservations at Palm Breeze and Canopy Oaks, you will be calling Landstar Mgt., which owns these two parks. If you want to take advantage of the reservation cancellation guarantee option, which is an extra 10% of the total site rental, that will be at your own expense, not against the deposit amount. Please note that at the rallies where the club has made advance deposits, it would be appreciated if you could make your reservations as soon as possible and send Denise, our Treasurer, your balance due (at her new address in Vero Beach) so that the club can get back the funds that were advanced back in April. Many parks now require advance deposits to allow us to hold these rallies for everyone's fun.

Also note that 2025-26 rally fees are \$40.00 per couple or \$20 per single.
